Sub: Extension of validity period of accreditation to conduct TLD based personnel monitoring

This has reference to your letter Ref No. AVL/BARC-Acctn.Renewal/201018 dated October 18, 2020 regarding renewal / extension of accreditation to conduct TLD based personnel monitoring service.

It may be noted that the pre-renewal on-site assessment visit of your laboratory could not be conducted by BARC due to COVID-19 pandemic situation. Therefore, based on review of laboratory status information provided in the renewal application and satisfactory performance during latest 45th cycle of external quality assurance check, it has been decided to extend the validity period of current accreditation by 1 year.

Consequently, validity period of Accreditation Certificate No.: BARC/PM/ATec-R6, issued to Avanttec Laboratories Private Limited, Chennai for conducting TLD based personnel monitoring service is extended up to 31/01/2022.
